El imperativo – los mandatos informales (tú)

- The imperative is the Command form of a verb.

Complete the following statements regarding the imperative.

- An affirmative command tells someone to do something.
- An informal command tells only one person, that you know to do that activity.

Ejemplos: ¡Habla! ¡Bebe! ¡Escribe!

- What is the formula to form regular affirmative commands?

Use the tú form of the verb minus the s.

Or just use the 3rd person singular form of the verb.
