- Upload the Student Bio to Google Classroom asap (if you want any editing!)
- If you choose to write a Bio for a friend, then you must have your friend write a bio about you. In other words, you must work in pairs. Or you may simply write your own Bio. The goal is not to have anyone left out of the book.
- All pages must be turned in on **Thursday, May 23rd** to in format (excluding the cover). Rita will assemble the pages and have the book bound and copied.
- If you choose to use senior picture (or baby pictures), you must give the senior pictures and/or baby pictures or copies of the pictures directly to the person who is building this page.
- If students fail to turn in all required materials by **May 23rd** it will not be included in the book and you will forever be forgotten. Not to mention receive a zero for your final assignment.
